VISION STATEMENT

***Empowering minds,
Strengthening communities***

MISSION STATEMENT

**Miami University Regionals provides open access
for diverse learners to high-quality applied
education grounded in the liberal arts.**

Transformative Change

- » For the past 50+ years, the regional campuses offered two-year degrees and prepared students for relocation to the main campus.
- » To meet the demand of the new education marketplace, the change was needed. The impetus for transformative change began at the state level.

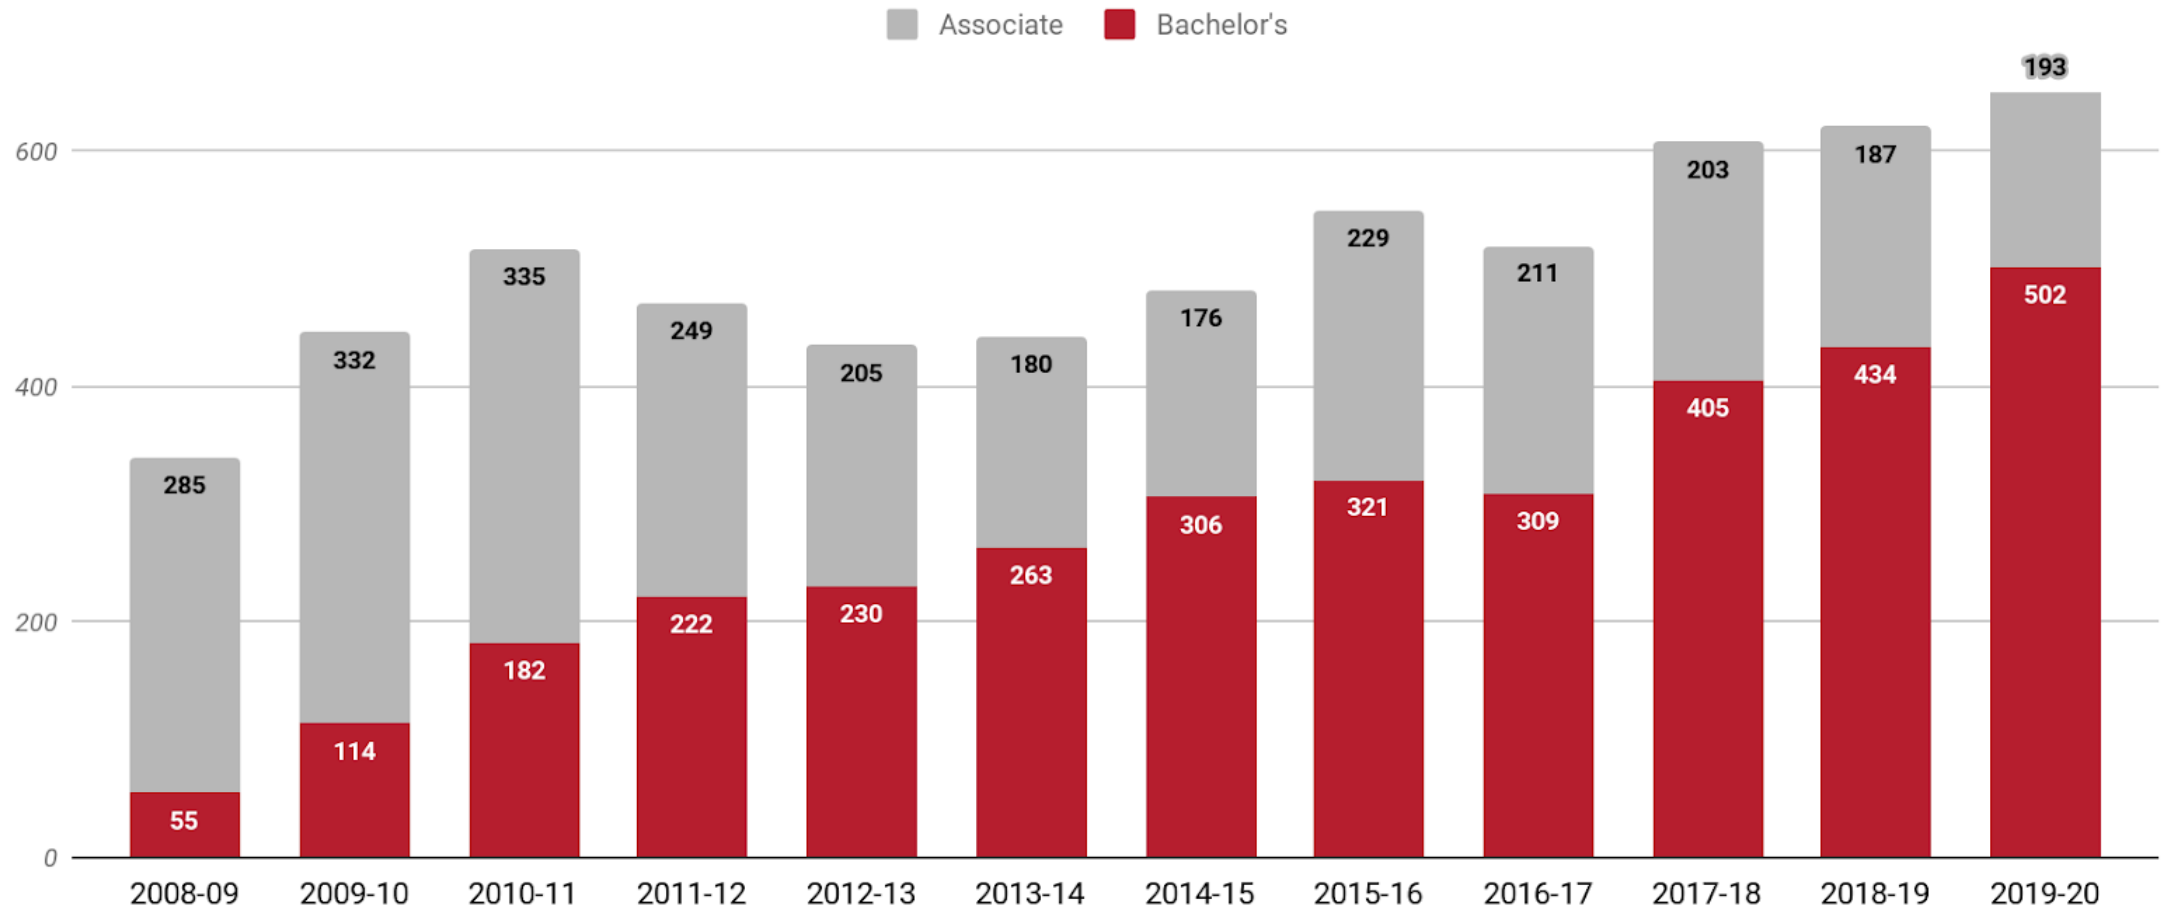

Transformative Change

2010 – two regional campuses, two Deans, separate faculty and staff, 3 Bachelor's and 13 Associate's degrees.

2013 – College of Professional Studies and Applied Sciences.

2018 – One academic division, a single Dean/Associate Provost, 19 Bachelor's degrees, all faculty are members of academic departments located at the Regionals.
