

Dissertation scholarships, for doctoral candidates at dissertation stage, are service free and provide a stipend determined by the student's department. Dissertation scholars must enroll in between 9 to 18 hours of graduate courses each semester they receive the award.

In addition to the stipend, graduate assistants receive 100% waiver of the instructional fee and 50% of the basic general fee for the period of appointment. Students are required to pay the general fee (reduced), technology fee, facilities fee (including Armstrong Center), and transit fees. Fee increases will be determined at the June meeting of the Board of Trustees.
